Consignment Agreement

Welcome! We are pleased that you want to become a part of our shop. Here's how it works:

- **When you bring your items in, we will select what our customers will buy.** Sometimes there will be items we cannot sell. Please understand that our customers' preferences must be our selection guidelines.
- **We set prices and base them on supply and demand.** We will get the best possible prices for you. You'll receive 40% of the selling price, 50% for higher priced strollers/baby gear. Stop in for any money owed to you at any time, though please call ahead if the amount is over \$50.00 so a check can be prepared. There is a \$1.00 processing fee for checks mailed that will be deducted from the amount owed to you.
- **We will display your items for 60 days.** The selling price will be reduced by 20% after the first month and by 40% after 6 weeks.
- There is a \$6.00 annual account maintenance fee. This is nothing that you have to pay upfront. The fee is broken up into two payments of \$3.00 each that will be deducted from your account in January and July and help to pay for rising overhead costs such as credit card processing, store supplies, etc.
- **If you would like to retrieve any unsold items, please do so by the 60th day.** Call us ahead of time and we'll have them ready for you. If you do not wish to pick up the remaining unsold items, they will become the property of Dapper & Dainty and will be donated.
- **If an item is found to be on the Consumer Product Safety Recall list, you will be notified and the item will not be able to be consigned.**
- We will do our best to safeguard your items, but we are not responsible for damage or loss.
- We look forward to a long and mutually profitable association with you. After all, we couldn't do it without you, our partner in consigning!

I have read the above terms and agree with them.
